DEDICATION

Dan Deuel

Dolores Parizo

Fred Remington

We, the class of 1985, would like to dedicate our yearbook to Mr. Deuel and Mr. Remington for their support and help through our years in high school and to Mrs. Parizo for all of her concern, encouragement, and assistance with our yearbook, Recollections.

Paul Dydo, Mr. Anthony Dydo

The Class of 1985 would also like to dedicate our yearbook to Mr. Anthony Dydo, who, through the years of his custodial work, had become part of our high school memories. We hold deep in our minds the many times he was present at our basketball games, and dances, standing in the cold, directing traffic; and also he maintained the upkeep of West Rutland High School. For this, Mr. Dydo, we extend a special thank you.

This yearbook was digitized by volunteers from the

SUPERINTENDENT'S MESSAGE

"There are two paths you can go by, but in the long run, There's still time to change the road you're on."

As you wind your way on life's pathway, you will realize that a successful life is measured by thought and action and not by time, alone. Own up to any time you are wrong-for in reality you are saying "I am wiser today than I was yesterday." You will be continually amazed that your successful projects will be the ones you thought were impossible in the past.

Reflect on your motto and realize that by altering your attitude and changing "roads" you will become mature and successful individuals.

I wish the Graduating Class of 1985 - one and all - every success with your future endeavors.

Richard F. Zani, Superintendent

PRINCIPAL'S MESSAGE

WEST RUTLAND HIGH SCHOOL
317 MAIN STREET
WEST RUTLAND, VERMONT 05777
P. O. BOX NO. 98

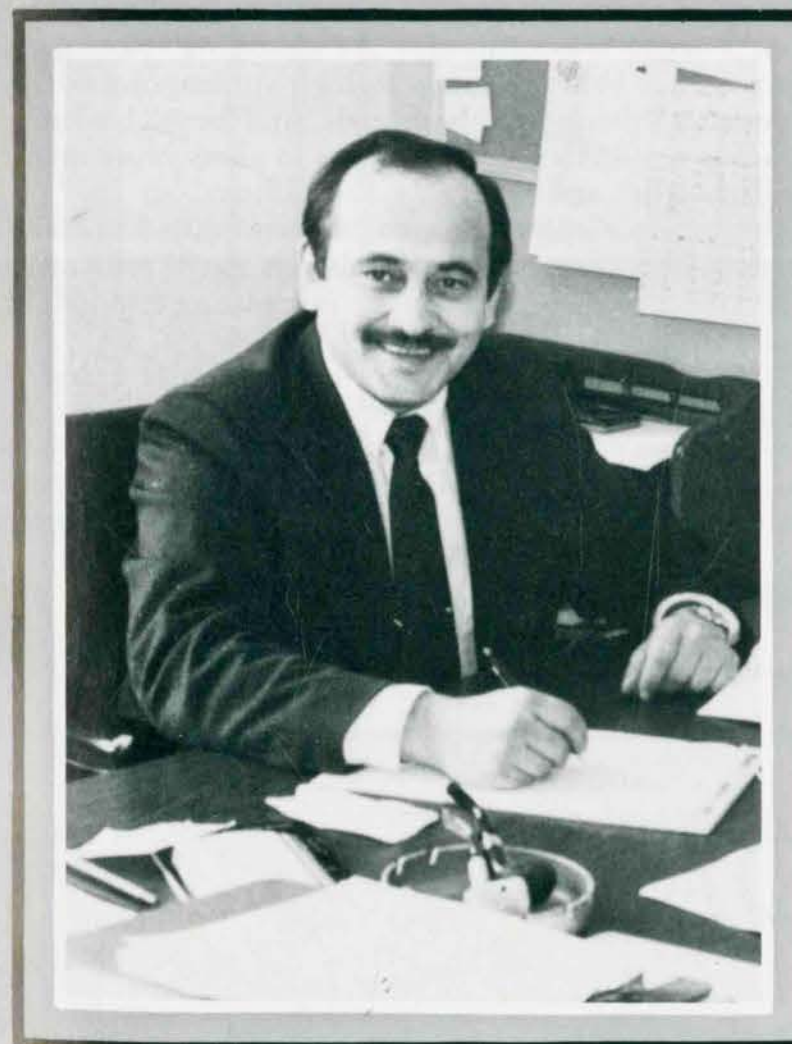

Dear West Rutland Alumni,

I am very pleased to recommend for membership in your austere group the class of 1985 of West Rutland High School. I am sure you will be pleased with the attainments and achievements of this capable group of young people.

They have carried on the traditions which you formerly held so dear and have helped to maintain the standards which make ours one of the best schools in the state.

Certainly the class of 1985 will continue to maintain the same excellence of attitude and spirit as adults that exemplified them at West Rutland High. We are pleased to recommend them as outstanding prospective citizens and proud members of your alumni group.

Sincerely yours,
Francis R. Beaulieu

VICE PRINCIPAL'S MESSAGE

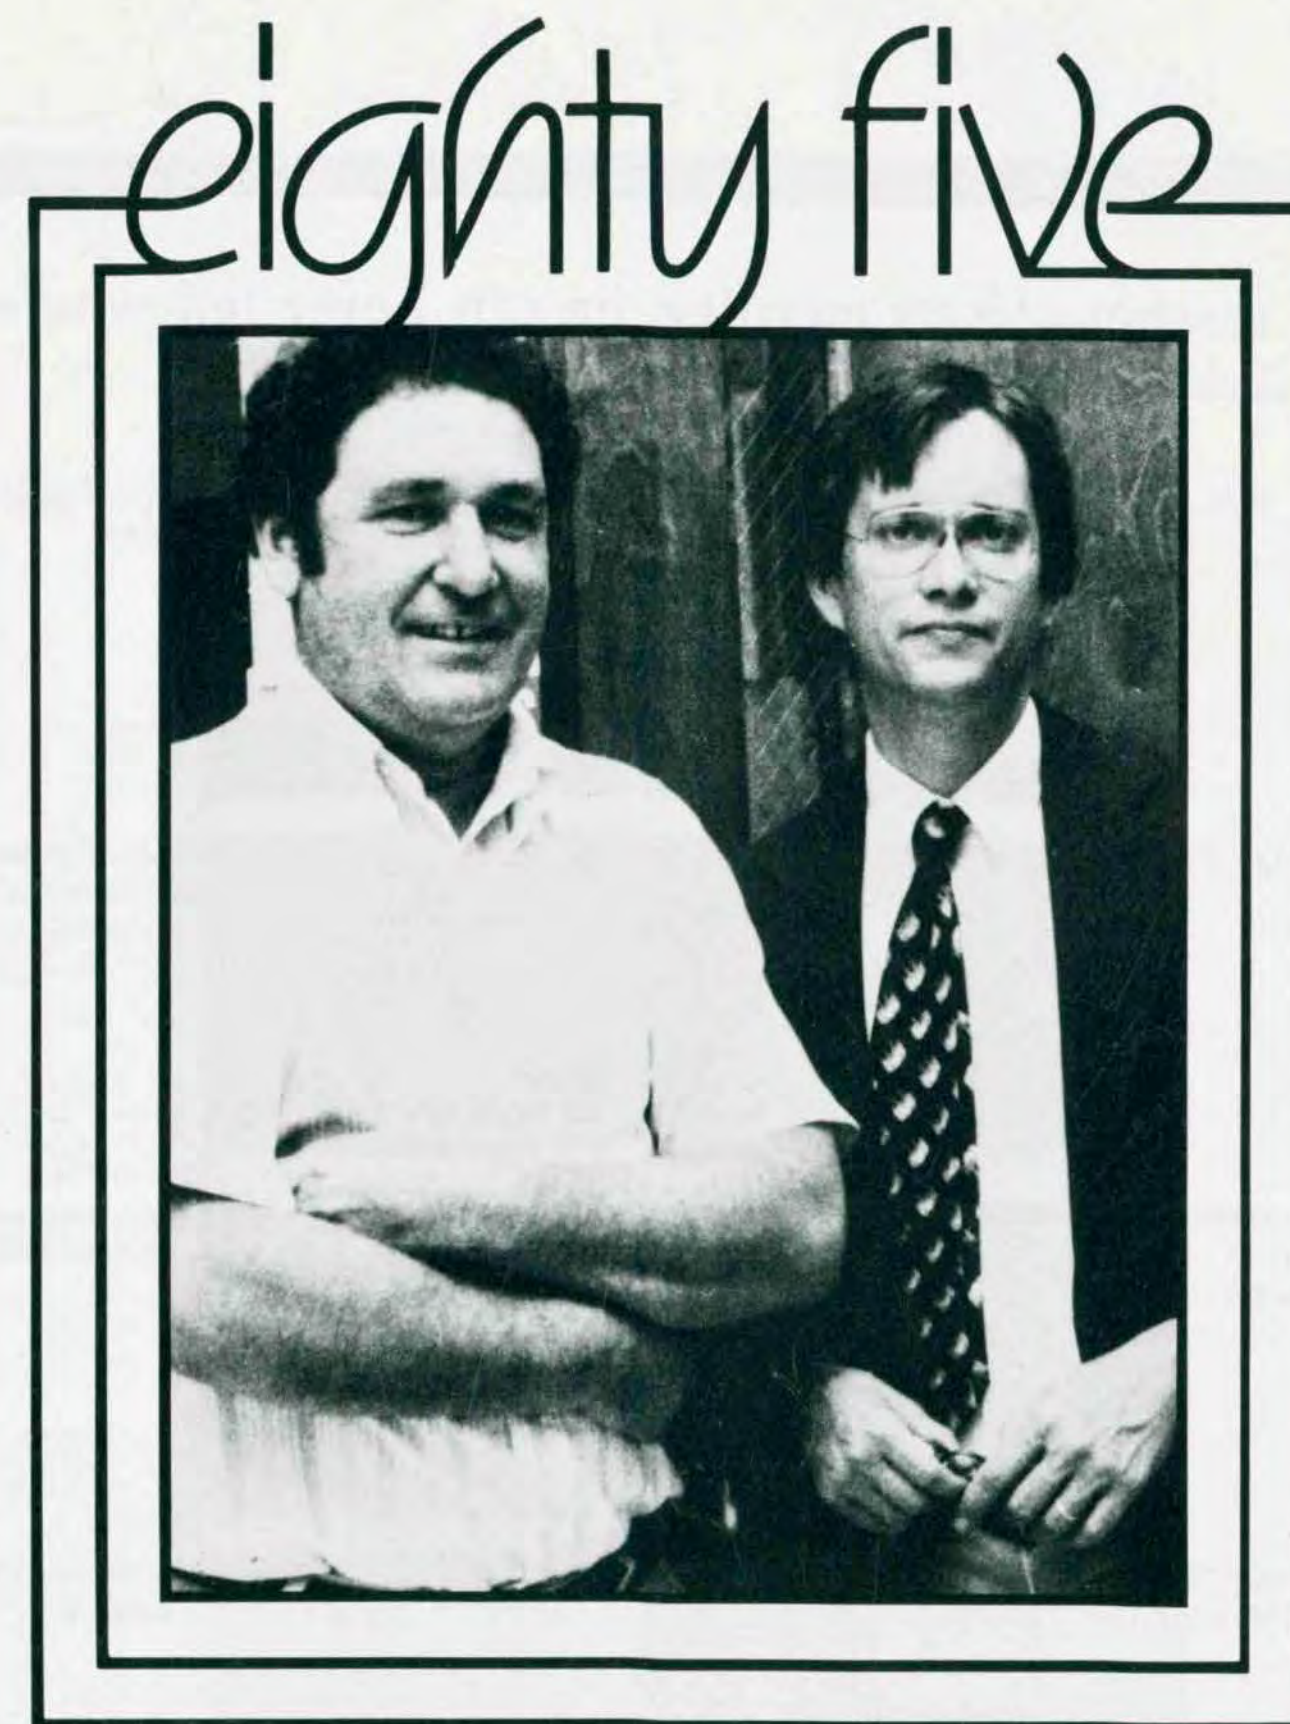

WE'RE NOT GOING TO TAKE IT ANYMORE, from "Twisted Sister", was the theme of a speech I gave our student council fund raising assemble. This song title became a way for me to focus in on the school student body and its needs.

Teachers, administrators and students were becoming tired of the apathy and negative attitudes. Students went out with this idea and raised over \$1800 for their school.

As I write this, attitudes are changing, peer group counseling is being set up with high student and faculty, attendance interests at both girls' and boys' basketball games is up, students have begun to show more respect for each other and their school building.

The theme of the song seems to have started to make a headway. We have occasional relapses but West Rutland is on the rise; caring, sharing, contributing and helping each other.

To the class of 1985 goes the distinction of being the first, the point, the leader of this revolution. I hope that they will continue to lead and guide as they go through life and come back to help their Alma Mater to grow, change and get better for the community which it serves.

CLASS

The date is June 14, 1995, ten years from the graduation of the West Rutland High School class of '85. The papers were calling this the society wedding of the year. LORI FABIAN and MARK BATHALON were finally to honeymoon in Hawaii and then move right into their house located on the new extension of Bulldog Boulevard. The ceremony was being performed by Father FRANK SALENGO of St. Stanislaus. Lori was watching with tears in her eyes as all the bridesmaids and ushers came walking in. First came BETH REED and RANDY DYDO, the best man and maid of honor. Beth is now a permanent member of Bruce Springsteen's band, and Randy is a Drivers Education instructor at the high school. After them came MARY SCOTT and TIM MOYER. Mary, after much thought, has decided to become a nun. Tim now owns his own string of McDonalds; at least he doesn't have to work there anymore. Next came BETHY BARTLETT and DAVID McDEVITT. Bethy has recently gotten a job at the high school as Mr. Trogisch's assistant, and David has become a famous award-winning body builder. KELLEY HERBERT, who has started a new program—"CRASH" for bicycles-, and BRIAN GILMAN, who now has his own television show for housewives called "Little Suzy Homemaker", now walked in. KAREN WOODS, KEN LAFONT, SUE TREPANIER, and DAVID MORGAN followed. Karen has become a famous gynecologist, and Ken has taken over his mother's job as General Manager of the Grand Union. Sue now owns a taxi service that brings people home at night because she always had trouble getting home. Dave is now a dish washer for the most popular restaurant in Vermont. As the day went on, Lori was noticing that most of the people she'd graduated with were there. The reception was being held at Hershki's, a new nightclub owned by TIM HERSHENRODER and DAN TYMINSKI. It was being catered by EVELYN COMSTOCK, TAMMY SWAN, and LINETTE MOYER. These three were now catering celebrity weddings. Singing at the wedding were ANGIE BRUNO and JACKIE SMITH. Together they formed a successful duo called "Cookies." Lori hired the best photography studio in the States to take her pictures. Burnski's Photos was owned by MARK JANKOWSKI and ERIN BURNS. LISA POTTER, now a regular bartender at Hershki's, was working the reception. KAREN HERRICK, a successful florist, had ar-

PROPHECY

ranged all the flowers for the wedding. Lori was looking around at all her guests enjoying themselves. She saw PAUL DYDO talking to JOHN ADAMS. Paul was now a door to door salesman for a popular "chew" company. John was working at Hershki's as a bouncer, but he was only a guest at the reception. DARLENE NIEMEYER and JIM SALENGO were dancing. Darlene was now the head of an AA Clinic, and Jim has become the Secretary of the Treasury for the United States of America. Also dancing were KEVIN KEARNEY and KIM MCGINNIS. Now happily married, Kim makes a wonderful housewife and Kevin has opened his own welding company, Cluck, Inc. In looking about, Lori glanced over to the bar. Here she saw KELLY PARKER, LISA VINCENT, GREG JANKOWSKI, and JANET MOYER talking. Kelly was now a Marine Biologist working specifically in the swamps of West Rutland. Lisa is Michael Jackson's new choreographer because the "moonwalk" was always her specialty. Greg has become an English teacher because he always had a way with words. Janet has opened the "J" Dating Service where you get to choose your own partner, since she never had any trouble choosing hers. On the other side of the bar, Lori could see TONYA BERGSTROM, DAWN HEWITT, and STACEY MILLER. Tonya is in business with Bertha's Day Care Center which is doing very well. Dawn is now working as David McDevitt's personal manager, and Stacey has her own gossip column in the Rutland Herald. Lori began to ask around to find out why some of her classmates weren't there. SCOTT MERRILL, now in the Air Force, was involved in a top secret project and couldn't free himself. DAN BUDD, now a famous runner, was busy training for the Olympics. STEVE LETENDRE had planned on attending, but he couldn't make it because his VW broke down. Steve had recently made an invention—a safe camouflaged as a mattress. PETE MILLER, now a Hollywood heartthrob, was busy filming his newest movie, "The Making of a Male Model Part II", so he was unavailable. JEFF MOODY, after tracing his roots, was now living as royalty in India with a harem of nine wives. As the night was coming to a close, Lori realized that she could ask nothing more of her wedding—it had been a complete class reunion. Even though, she couldn't help wondering to herself . . . "Where will we all be ten years from now?"

We, the class of 1985, have been working hard to achieve this goal-graduation. We are near the end of our High School days and ready to go our ways. Some of us will begin working, continue in our education, or join the armed forces.

We are going to look back and see that these years were the best years of our lives.

There are many friends and memories we will never forget. My wish for all my classmates is that the goals they are reaching for in life will come true. Good luck to everyone.

There are some things in life
you'll never experience without skis.

There is another world up there.
A world of freedom, of solitude, of beauty.
A world that only alpine skiers know.
A world where your senses are so sharpened that
the clear blue of a morning sky almost hurts, where ice
covered trees gleam in the sunlight like frozen fire,
where you can hear silence and feel your heart beat.
A world where carving your line, meeting the
challenges of the mountain and conquering them are
so involving you can't think of anything else.

A world of wind rush, of exhilaration, of peace,
of pride for a trail well run, of tiredness from a day of
using your body hard and well.

This is the world an alpine skier knows. A world
that brings them back again and again.

At Killington we know that world, too. That's
why we have created an alpine skier's paradise of 100
ski trails on 6 interconnected mountains.

It's a world with room for you no matter how you
ski, how old you are; how much money or time you
have to spend.

To get a little closer to Killington, call (802)
422-3711. Or write for our free 60-page magazine,
"Killington Skiers' Guide." Write: Killington, 460
Killington Road, Killington, Vermont 05751. For ski
reports call (802) 422-3261.

I want to get a little closer to Killington. Send me
the 60-page "Killington Skiers' Guide."
